

# RIGHT TO INFORMATION

Manual – I

## (Particulars of Organisation, Functions and Duties)

### INTRODUCTION

The Department of Irrigation & Flood Control was bifurcated from the Agriculture Department on 1<sup>st</sup> April 1988. Later, it was re-named as Water Resources Department on 2<sup>nd</sup> July, 2018.

The Head office of the Water Resources Department, Nagaland is located at the New Capital Complex, Kohima.

**MOTO: Conserve Water, Save Life.**

### **VISION:**

- To manage Water Resources in the State
- To establish State Water Resource Information Centre
- To develop state of the art facilities for Hydrological Information System
- To provide assured irrigation water for sustainable agriculture through creation of dependable irrigation system
- To undertake flood protection works for protection of high value assets
- To mitigate flash floods, landslides and soil erosion

### **MAIN ACTIVITIES**

#### **1. PMKSY- HKKP (SMI)**

The Department has been implementing Surface Minor Irrigation (SMI) under Pradhan Mantri Krishi Sinchayee Yojana- Har Khet Ko Pani ( PMKSY- HKKP) to enhance culturable command area by providing assured irrigation, improve water use efficiency, introduce water conservation practices etc by constructing tanks, diversions weirs barrage, aqueducts , lined channels, water harvesting pond etc.

Upto date, the Department has created a total culturable command area (CCA) of 1,51,556 Ha with irrigation potential (IP) of 1,62,504 Ha. During the last financial year ending March, 2023, the Department has created CCA of 5126 Ha with IP of 6297 Ha.

#### **2. PMKSY- HKKP (GW)**

Under PMKSY- HKKP groundwater the Department has constructed 262 Nos of Medium Deep tubewells and created a CCA of 666.75Ha in 5 Districts- Dimapur, Peren, Wokha, Mokokchung and Mon.

#### **3. COMMAND AREA DEVELOPMENT & WATER MANAGEMENT**

The scheme is meant for development of the command area by constructing field channels, drains, land shapping etc, for the already existing irrigation system. It is meant to bridge the gap of irrigation potential created and irrigation potential utilized. But the Department could not avail the scheme due to the inability of the State to provide 50% State matching share.

#### **4. FLOOD MANAGEMENT AND BOARDER AREA PROGRAMME.**

This is a CSS for construction of Anti- Erosion Works, Drainage and Flood Protection Works of critical in nature. The funding pattern is 90:10 (CS: SS). The Department is undertaking two schemes – Development of Dimapur Airport Drainage Ph-IV and Protection of Tuli town from erosion of Milak River Ph-II.

#### **5. Construction of Water Harvesting Pond under NABARD**

The Department has constructed 29 Nos of Water Harvesting Ponds using LDPE lining for water storage which shall subsequently be use and during lean period for cultivation of vegetables. The project was funded under NABARD.

#### **6. Project funded under NEC**

The Department is undertaking 2 Nos of projects funded under NEC:

- 1) Anti- Erosion Work in Tizu River, Zunheboto District and
- 2) Seitsaru Multi- Purpose Irrigation Project, Phesama Village, Kohima District.

#### **7. National Hydrology Programme ( NHP)**

NHP is a Central Sector Scheme of 8 years duration starting from 2016- 17 onwards with the objective of creating State water Resource Information Centre. The Department has installed Piezometers at Kohima, Dimapur & Tuli to monitor the groundwater level. The Department has also installed Hydro- Met stations in all the Districts and established Real Time Data Acquisition System (RTDAS) so that hydro- metrological data could be collected through telemetry.

### **ORGANIZATION STRUCTURE**

The organizational structure of the Water Resources Department are as under:

#### **Administrative Level**

Sl.No.	Designation	Nos.
1	Principal Secretary/Commissioner Secretary/Secretary	1
2	Additional Secretary	1
3	Joint Secretary	1
4	Deputy Secretary	1
5	Section Officer	1

6	Junior Section Officer	2
7	Sectt. Assistant	2
8	L D A	1
9	Steno	1
10	Typist	2
11	MTS	6

**Chief Engineer's Office**

The Chief Engineer is the Head of the Department of Water Resources under the Administrative Head of a Secretary to the Government of Nagaland. Besides Chief Engineer's office, the Department of Water Resources Nagaland have one separate Investigation Cell under the charge of one Superintending Engineer and 11 (eleven) Divisional offices and 3 (three) Sub-divisional offices

The strength of post and organization chart of the Department is given below:

**EXISTING ORANOGRAM OF THE HEAD OFFICE-WRD**

**EXISTING ORANOGRAM OF THE DEPARTMENT OFFICE ESTABLISHMENT**

**ADDRESS OF THE ORGANIZATION**

Secretary to the Government of Nagaland, Department of Water Resources, Nagaland Civil Secretariat, Kohima-797001, Phone: 0370-2271107  
 Fax: 0370-2271107

Chief Engineer, Department of Water Resources, Nagaland, New Capital Complex, Kohima-797001 Phone: 0370-2270950 Fax: 0370-2270950

**OFFICE TIMINGS**

The office timings are same as other Government offices:

Summer (April – September) : 9:30 AM to 4:00 PM

Winter (October – March) : 9.00 AM to 3:00 pm

**Manual – II**

(Powers and duties of the Administrative Head of Department, Head of the Department and Officers in the Department of Water Resources)

**(The procedure followed in decision making process including channels of supervision and accountability)**

At the Administrative level, the Department of Water Resources is headed by the Principal Secretary, Water Resources. The Principal Secretary deals with all administrative and establishment matters of the department. He is responsible for granting leave, promotion and transfer & posting of all gazetted officers under the department. It is the responsibility of the Principal Secretary to co-ordinate with other departments like the Planning Department, Finance Department etc. for grant of sanctions/drawal authority etc for all kinds of developmental projects /financial transactions pertaining to the department. The Principal Secretary, Water Resources will also issue Administrative Approval(A/A) and Expenditure Sanction (E/S) for all financial transactions pertaining to the department after receiving concurrence /drawal authority from the Finance Department. Formulation of Yearly Budget and Works Programme of the department is done under the directional and guidance of the Principal Secretary, Water Resources Department.

The Principal Secretary, Water Resources Department, will also represent the department in plan meetings and all other meetings concerning developmental programmes / activities and other issues at the government level.

The Chief Engineer, by virtue of being the head of the Water Resources Department, is responsible for implementation of Government policies through efficient administrative and professional management under its control.

The procedures that are followed pertaining to different matters are as under: -

**1. Establishment:**

The Chief Engineer will recommend to the State Government leave, promotion, disciplinary action, transfer and posting of all Gazetted Officers. He will deal himself with appointment, leave, promotion, disciplinary action and transfer and posting of all Non-Gazetted officers / staff in the Departments. The Chief Engineer will deal with establishment matters pertaining to pension cases, GPF and will accord sanction for expenditure(s) under establishment head.

**2. Technical:**

Annual Plan is formulated by the Chief Engineer for submission to the Government for approval. Works Programme is prepared on the basis of the approved Annual Plan outlay and accordingly, budget allocations are made. Technical Estimates/Project Reports are prepared at the Division Level and proposals are submitted to Chief Engineer for Technical Approval. The Government, after thoroughly examining each case in merit, will accord Administrative Approval (A/A) of the proposals and Expenditure Sanction (E/S). On receipt of the Administrative Approval, necessary codal formalities are observed as per NPWD Code and Expenditure Sanction are proposed to Government for execution and payment. However, in respect of implementation of works under AIBP, the WUA's are allowed to execute the works under Participatory Irrigation Management (PIM).

**3. Financial:**

All proposals need to be cleared by Planning and accorded Concurrence by the Finance Department after which only Administrative Approval and Technical Sanction are obtained. The Chief Engineer, according to the progress of works, submits proposals to the Government from time to time for issue of drawal authority against a specific project to which funds are available during the year. The Chief Engineer is also responsible for full utilization of funds made available for different projects during a specific financial year. The Drawing and Disbursing Officers of respective establishments are responsible for payment of salaries and other allowances due to the employees under their establishments. Drawal and Disbursement of GPF, leave encashment, GIS, Medical re-imbursments are made by the Chief Engineer.

**4. Supervision:**

Whereas all developmental activities are done under the supervision of the Chief Engineer, the Executive unit of the Department is the Executive Engineer, the division in charge. The Executive Engineer is directly responsible for the successful implementation of a project. It is therefore, part of his duty to organize and supervise the execution of a project and see that they are suitably and economically carried out with materials of good quality and within the stipulated period. The Executive Engineer is assisted by the Sub-Divisional Officer who is responsible to the Divisional Officer for management and efficient execution of works under his sub-division. Junior Engineers and Sectional Officers assist the sub-divisional Officer in supervision of works. They are required to be present at the worksite.

**5. Accountability:**

All the officers, staff under the department are accountable for their assigned works for timely disposal of works and activities.

As measure for maintaining transparency, all notices, orders and information of public importance are displayed on the notice boards. Matters relating Tenders for works are published in Newspaper for wide publicity.

All transactions made under different establishments in the department are test checked/Audited by the Accountant General, Nagaland. Discrepancies and objections are reconciled and clarified by the respective Drawing and Disbursing Officers concerned. Periodical internal audits are also done by the Director of Treasuries and Accounts, Nagaland.

**6. Matters pertaining to Right to Information:**

The Chief Engineer is the Appellate Authority of the department under the provision of Right to Information. PIOs and APIOs are the Officers subordinate to the Chief Engineer and they include Superintending Engineers, Executive Engineers and Sub-Divisional Officers at different establishments under them.

**( NORMS SET FOR DISCHARGE OF ITS FUNCTIONS)**

The norms for discharge of functions at different levels (Officers & Staff) are as follows:-

**1.Chief Engineer :**

- (i) He is overall head of department.
- (ii) He is responsible to the government for efficient administration and control of all works under the department.
- (iii) All correspondences with the government pertaining to establishments, technical and financial matters are made through him.
- (iv)He will recommend to the government leave, promotion, punishment and transfer/posting of Gazetted Officers under the department.
- (v)Appointments, leave, disciplinary action, promotion, transfer/posting of non-gazetted subordinates are dealt with by him.
- (vi)He is the technical head of the Department.
- (vii) He will prepare the annual budget estimate.
- (viii) He will also compile the Annual Administrative Report.
- (ix) He is responsible for preparation and submission of proposals/DPRs to the government.
- (x) He will also administer grant for different works and is responsible for timely completion of all projects.
- (xi) He is also responsible for control over expenditure and progress of works under his wing.
- (xii)He will also be responsible for calling of Tenders, Quotations of different projects/works under his wing.

**2. Additional Chief Engineer:**

The Additional Chief Engineer will exercise the powers and duties delegated to the Chief Engineer when holding independent charge.

**3. Superintending Engineers:**

- (i) Superintending Engineers are responsible for monitoring of schemes assigned to them for efficient, economical and speedy completion of the works.
- (ii) The Superintending Engineer will give technical advice to the Divisional Engineers in matters relating to execution of work, preparation of detail designs and estimates and Detail Project Reports.
- (iii) The Superintending Engineer will bring to the notice of the Chief Engineer, cases of incompetence or dereliction of duties by Officers/staff.

**4. Executive Engineers:**

- (i) Executive Engineers are the Officers-In-Charge of Divisions which are the executive unit of the Department.
- (ii) The Executive Engineers are directly responsible for supervision and execution of all projects under their respective Divisions.
- (iii)The Executive engineers are also responsible for repair and maintenance of Roads, buildings and machineries under their respective Divisions.
- (iv) It is also the responsibility of the Executive Engineers to prevent encroachment on Government lands in his charge.
- (v) He will also report important or serious accidents, fire, earthquakes and storms of floods to the appropriate authority.
- (vi) It is the duty of the Executive Engineer for correct maintenance of accounts of all transactions that takes place within his division.

**5. Sub-Divisional Officers:**

- (i) The Sub-Divisional Officer is responsible for management and efficient execution of works under Sub-Division.
- (ii) It is the responsibility of the Sub-Divisional Officers to ensure that all accounts pertaining to works and stores are submitted punctually and regularly.
- (iii) Sub-Divisional Officers are also responsible for efficient management of work-charged establishment under him.

**6. Junior Engineers :**

- (i) Junior Engineers are responsible to the sub-divisional Officers for supervision of works under his section.
- (ii) Junior Engineers are also responsible for timely submission of accounts of stores, road metals etc. under their jurisdiction

**7.Field staff:**

Field staff under the department includes Sectional Assistants, Surveyors, Chainman, Drivers, Helpers of different categories, and manual labourers. As their names suggests, they are assigned with specific jobs which are carried out under the supervision of Sectional Officers, Junior Engineers or under direct orders from the Sub-Divisional Officers as per necessity.

**8. Accounts Officer:**

The Account officer assists the Chief Engineer in all matters relating to Budget.

- (i)It is also the responsibility of the Accounts Officer to monitor the expenditures being incurred for various projects.

(ii) It is also the responsibility of the Accounts Officer to monitor the expenditures being incurred for various projects.  
 (iii) The Accounts Officer will also advise the Chief Engineer on matters relating to Audit Reports, Draft Paras etc. of all the DDOs under the department.

**9. Registrar:**

- (i) Administrative correspondences in all matters.
- (ii) Communication with the Government as well as with the Divisions in all matters relating to establishment.

**10. Superintendents:**

- (i) Superintendents will assist the Registrar in all matters pertaining to establishments.
- (ii) The Superintendents will also assist the Accounts and Technical Branches in corresponding with different authorities.

**11. Divisional Head Assistant:**

Divisional Head Assistants in the Offices of Divisions are responsible for smooth functioning of their respective offices. They are also responsible for all matters pertaining to establishments.

**12. Sub Divisional Head Assistant:**

Sub-Divisional Head Assistants are responsible for all matters pertaining to establishments in a Sub-Divisional office.

**13. Upper Division Assistant (Directorate and Districts):**

Upper Division Assistants (UDA) will assist the Registrars and Superintendents in the Directorate Office and Divisional Head Assistants in the Circle and divisional offices in processing files and all other correspondence matters.

**14. Lower Division Assistants (Directorate and Districts)/Typist :**

The Lower Division Assistants will assist the Registrars, Superintendents, Accounts Officers, Divisional Head Assistants, Sub-Divisional Assistants and UDAs in processing files and typing the correspondence matters

**15. Grade IV Staff :**

Grade IV staff includes Ferro-Printers, Duftry, Helpers, Handymen, Malis, Attendants, Peons, Chowkidars, Sweepers whose duties are specifically assigned as their names suggests. They assist the Office Staff and Field Staff as per requirement.

**16. Stenographers :**

Stenographers of different grades attached to officers at the different levels will directly assist the concerned officers in corresponding with other offices. They will also handle confidential matters as per necessity.

*Following are the Officers and other technical staff whose duties and responsibilities are explained briefly.*

**The Executive Engineer (Design) :**

The executive Engineer will assist the Chief Engineer/Addl.Chief Engineer and Superintending Engineer in all technical matters.

**Sub-Divisional Officer (technical Consultant):**

The SDO (T.C) attached to Technical Branches of the Offices of Chief Engineer will assist the technical branches of the offices they are attached to in disposing of all technical works.

**Other Technical Staff:**

Other Technical Staff in the technical branches of Head Office, and Divisional offices include Junior Engineers, Draftsman, and Tracers who will assist the Technical officers at different levels in all Technical matter.

#### **Manual – VII**

(The particulars of any arrangement that exists for consultation with or representation by the members of the public in relation to the formulation of its policy or administration)

Major programme of the Department are funded under Ministry of Water Resources (MoWR), Govt. of India. The technical appraisal and proposals for implementation of its programme are vetted through the agencies of the MoWR such as Brahmaputra Board (BB) and Central water Commission (CWC). Hence, in various Committee of the Department the representative of the BB and CWC are standing members. As such, due consultation is always taken with the concerned central agencies mentioned above.

#### **Manual – VIII**

(A statement of the boards, councils, committees and other bodies consisting of two or more persons constituted as its advice, and as to whether meetings of those boards, councils, committee and other bodies are open to the public or the minutes of such meetings are accessible for public)

The followings are the Board and Committees set up by the Department

##### **i. State Flood Control Board**

###### **Constitution of the State Flood Control Board**

- |  |                    |
|--|--------------------|
| 1. Hon'ble Chief Minister  | : Chairman         |
| 2. Hon'ble Finance Minister  | : Member           |
| 3. Hon'ble Minister/Parliamentary Secretary in charge of Flood Control Works | : Member           |
| 4. Chief Secretary/Addl. Chief Secretary                                     | : Member           |
